Codman Meeting

YMWAP Mentor Training

Thank you for allowing your mentors to attend YMWAP Mentor Training, which was held on November 7 & 8. We welcomed new mentors Jahad from TechBoston and Eric from Boston Prep. We shared dinner on Wednesday and spent Thursday together, beginning with checking in on our favorite high school year and teacher, reviewing YMWAP roles and responsibilities, watching a brief film on mentoring, exploring the difference between mentoring and coaching, eating Blue Ribbon BBQ, weighing in on three cases representative of our young men, and watching a powerful film on mental health, which sparked a lot of reflection and open discussion.
